We are expecting to host our fashion show in mid-October. If the candidate(s) is able to join us before the event, they will have the opportunity to gain hands-on experience and develop a deeper understanding of our work.

The duration of this position is initially set for three months; however, we are open to discussing and adjusting the time period based on other commitments.

Work Location: On-site

We ask that the candidate work on-site for the first month, as we highly value in-person connection with team members and believe it's important to gain a solid understanding of the company.

After the first month, the candidate may transition to a hybrid work arrangement if they want to.
